

With ILUNION for Accessibility

Has engaged in initiatives and projects together with ILUNION T&A in order to improve universal accessibility in their environments. To be specific, works are being carried out in:

Ilunion team

Instructions for the use of this ILUNION hallmark

1. ILUNION T&A issues this hallmark to the organizations that have signed contracts related to products and services oriented to universal accessibility and the inclusion of people with disabilities.
2. The entity receiving it can alter neither the description of the developed actions nor the dates on which they were carried out, all of these data must, indeed, appear in the hallmark
3. The hallmark can no longer be used after two years have passed since the last action referenced in it has been developed.
4. When the developed actions are tied to a physical location, be it spatial or digital, (installment, web site etc.), the ILUNION T&A hallmark can be only shown in environments where such actions have been carried out.
5. If the entity receiving this hallmark has plans to spread it in environments where actions have not taken place, explicit permission from ILUNION T&A should be obtained.
